Schedule of Authorized Reclassifications for FY 2015

Agency heads may be granted authority by the Mississippi State Personnel Board to reclassify positions within a class series, removing the requirement that each individual reclassification transaction be separately justified. The Mississippi State Personnel Board annually allows each agency to submit requests for changes to the authorized schedule of reclassifications.

It is the policy of the Mississippi State Personnel Board to provide for the reclassification of a position belonging to a class series by recognizing the increased value of an employee who has acquired additional experience, skills, and/or education which is directly related to the job. Reclassification provides a career ladder affording mobility for qualified individuals to advance to higher classified positions, which are substantially similar in the type of work performed. The authorized salary for reclassification of an occupied position is determined in accordance with the provisions for the Variable Compensation Plan Promotional Formula.

A. Recommended for Approval

B. Not Recommended for Approval

The following occupational classes were requested by agencies to be added to the Schedule of Authorized Reclassifications for FY 2015 but are not recommended for approval because each includes supervisory responsibilities as an essential component of the job description. Where allowed by legislative appropriations language and available funds, agencies may still move positions into these occupational classes through reallocation. Reallocations require review of the organizational chart, to ensure performance of the requisite supervisory duties.

Director I/0645
Director II/0646
Director III/0647

Recommendation:

Approval of the occupational classes listed in Section A above as the Schedule of Authorized Reclassifications for FY 2015, effective July 1, 2014, with implementation and utilization to be governed by the *Variable Compensation Plan for FY 2015*.

Disapproval of the addition of the occupational classes in Section B above to the Schedule of Authorized Reclassifications for FY 2015.
