1. Continuation of Position(s)

- a. **Permanent Positions.** Documentation will not be required to continue established, permanent positions within the agency where no change has occurred.
- b. **Time-Limited Positions.** To ensure the continuation of currently authorized Time-Limited positions, agencies must designate the positions to be continued by accessing the Time-Limited Re-authorization screen (PO, MP, TL) through the Position segment of SPAHRS and flagging each position to be re-authorized or re-escalated for Fiscal Year 2007. This process must be completed no later than close of business on Friday, May 26, 2006. Agencies should also refer to the memorandum dated April 10, 2006, from Col. J. K. Stringer, Jr., Executive Director of the Department of Finance and Administration, for additional information regarding time-limited re-escalations for Fiscal Year 2007.

2. Establishment of Position(s)

The establishment of positions occurs either at the start of the fiscal year, at conversion for newly appropriated positions, or during the operating fiscal year when mandated by special circumstances such as budget escalations authorized by the Department of Finance and Administration or deficit appropriation. All documents required to establish new positions shall be forwarded to the State Personnel Board by close of business on Friday, May 26, 2006.

A representative JCQ or RDQ may be submitted when all positions are to be allocated to the same job class and will be assigned substantially the same work;
 - (4) A letter of request addressed to the State Personnel Director and signed by the agency head; and
 - (5) Requests for new positions in a new job class shall also include documentation required for a class establishment.
- b. Requests for new positions during the operating fiscal year (typically escalations) must include items 1 through 4 of this section. In addition, agencies must enter the request into SPAHRS by accessing the "Maintain Position Information" screen (PO, MP, MP) and completing the required fields.
- c. If the position to be established was approved by the State Personnel Board as part of the agency's annual Personal Services Budget Request, the agency is required to submit a Job Content Questionnaire (JCQ) and access the "Wage, Salary and Fringe, Budget Recommendations" menu (PW, BR, BQ) to determine if the positions to be established are currently depicted on "Schedule A". If the positions are included on the schedule, the agency must change the Transaction Type to indicate "F" for funded and transmit the schedule to the State Personnel Board.

New positions which were not requested during the regular budget cycle may be included in the agency's appropriation act. Agencies will be required to add these positions to "Schedule A" through the "Wage, Salary and Fringe, Budget Recommendations menu" (PW BR BQ). In addition, the agency must provide items 1 through 4 of this section as supporting documentation for these new positions.
