FROM: Lynn Fitch
    State Personnel Director

DATE: March 19, 2009

SUBJECT: ADMINISTRATION OF PERSONNEL ACTIONS

A. Statement of Purpose

In accordance with House Bill 681, passed during the Regular Session 2009, the State Personnel Board, acting through the State Personnel Director, hereby authorizes and directs the immediate suspension of promotions, reallocations, reclassifications, realignment, educational benchmarks, career ladders, or any other means to increase salaries of employees or positions unless specifically exempted by the following conditions: the immediate replacement of a departing employee with an individual from within state service or a new hire at a salary level equivalent to that of the departing employee, and the emergency appointment of Nurses, Pharmacists or other health care professionals at a salary to be determined by the State Personnel Board. This suspension is effective March 13, 2009, and will end close of business June 30, 2009.

The development of the following policies is based upon implementation of House Bill 681 as follows:

From and after passage of this act and until June 30, 2009, due to the unforeseen financial circumstances, the agency head of any state agency, with the approval of the Department of Finance and Administration, may authorize increases in major objects of expenditure within each specific budget within each appropriation bill, provided that other major objects of expenditure are decreased by a corresponding dollar amount. No state agency shall take any action to promote or otherwise award salary increases through reallocation, reclassification, realignment, educational benchmark, career ladder, or any other means to increase salaries of employees or positions unless specifically exempted by the following conditions: the immediate replacement of a departing employee with an individual from within state service or a new hire at a salary level equivalent to that of the departing employee, or the emergency appointment of Nurses, Pharmacists or other health care professionals at a salary to be determined by the State Personnel Board. The agency head shall submit written justification for the transfer(s) to the Department of Finance and Administration, the Legislative Budget Office and the State Auditor on or before the fifteenth of the month prior to the effective date of
the transfer. The transfer shall be effective the first working day of the month following timely submissions and approval required herein. In cases of extreme hardship, certified in writing by the agency head and timely submitted as required herein, the Executive Director of the Department of Finance and Administration, in his discretion, may authorize an earlier effective date for the transfer.
